## INTRO

**MEMORY VERSE** – “Jesus Christ is the same yesterday, today, and forever.” Hebrews 13:8

**FOCUS VERSE** – “Jesus Christ is the same yesterday, today, and forever.” Hebrews 13:8

**STORY** – We are starting a new series today called J.E.S.U.S (say letters), which spells Jesus! The Bible tells us in Hebrews that, “Jesus Christ is the same yesterday, today, and forever.” That means that Jesus never changes, and never will! With each letter of Jesus’ name, we are going to be learning about who Jesus is!

*Can you say “J” with me nice and loud?*

That’s the first letter of Jesus and in our series it stands for JOYFUL.

*Can you say “E” with me nice and quiet?* The E stands for EXCITING.

*Can you say “S” with me nice and loud?* The S in Jesus’ name stands for SAFE.

*Can you say “U” with me nice and quiet?* The U is for UNDERSTANDING.

*And lastly can you say another “S” with me nice and loud?* This S stands for SON OF GOD.

Let’s say J.E.S.U.S one more time together and shout Jesus at the end! *J.E.S.U.S. .... JESUS!* Raise two hands if you’re excited to learn all about Jesus!

**PRAYER** – Jesus, thank you that you never change, and the things we learn about you at church are the same today, yesterday and even tomorrow!

**SNACK** – Cheese and crackers

**CRAFT** – J.E.S.U.S. puzzle - cut the quarter paper into large pieces to be put back together again

**GAME** – J.E.S.U.S. stations game - every time you say, “*J.E.S.U.S*” they have to go to a new station
