MEMORY VERSE – “Jesus Christ is the same yesterday, today, and forever.” Hebrews 13:8

FOCUS VERSE – “Jesus Christ is the same yesterday, today, and forever.” Hebrews 13:8

STORY – Have 5 students hold a letter for Jesus’ name in front of the group. Today is the last day for our J.E.S.U.S. series (say letters as you point to them), which spells Jesus! The Bible tells us in Hebrews that, “Jesus Christ is the same yesterday, today, and forever.” That means that Jesus never changes, and never will! During this series we learned about who Jesus is! Let’s talk about all the letters of Jesus’ name, again.

Can you say “J” with me nice and loud? The J stands for JOYFUL.

Can you say “E” with me nice and quiet? The E stands for EXCITING.

Can you say “S” with me nice and loud? The S in Jesus’ name stands for SAFE.

Can you say “U” with me nice and quiet? The U is for UNDERSTANDING.

And lastly can you say another “S” with me nice and loud? This S stands for SON OF GOD.

We’ve learned many things about Jesus in this series, and how exciting to know that the things we learned about Him won’t ever change! Let’s make up hand motions for the memory verse. When we say “Yesterday,” point thumbs over your shoulder, “Today,” point fingers down and “Forever,” point forward!

QUESTIONS – 1. What is your favorite part about Jesus that we learned about?

2. Do you believe that Jesus is the same yesterday, today and forever?

3. Does it help you feel safe with Jesus knowing He doesn’t ever change?

PRAYER – Jesus, thank you that you never change, and the things we learn about you at church are the same today, yesterday and even tomorrow!
