School Might Dice

Take turns rolling the dice and answering the question to help engage kiddos on a school night!

What was the hardest part of the day?

What was your favorite part of the day?

Was there a time you helped somebody today?

Who did you play with today?

Do you have a prayer request? Who did you eat lunch with today?

Cut along outside (including blacklined shapes), fold on grey lines, glue inside black shapes to make a dice.
